

Join us for our 10th Anniversary Season in 2018:
A Celebration of Heart, Music, Laughter, and Family!

A NEW BRAIN is an engaging and fast-paced musical based on the actual life experience of composer William Finn (*Falsettos*, *The 25th Annual Putnam County Spelling Bee*). When a frustrated children's television composer is struck with a rare brain disorder he faces the possibility of his own mortality. The tumultuous, comical and surreal ordeal that engulfs him and those closest to him – his friends and family - teaches everyone something profound about what is truly important in life, and in love. Both zany and heartbreaking, **A NEW BRAIN** celebrates life through heart and music.

March 1 –17, 2018

JAMES AND THE GIANT PEACH is a new musical guaranteed to mesmerize theatregoers of all ages. In this compelling story by beloved author Roald Dahl (*Charlie and the Chocolate Factory*, *Matilda*), a young orphan named James accidentally drops magic crystals by an old peach tree, and strange things start to happen. James soon discovers a world of magic and adventure full of friendly insects and learns that love and family can be found in unexpected places. The amazing score is by the award-winning team of Benj Pasek & Justin Paul (*La La Land*, *A Christmas Story*, *Dear Evan Hansen*, and *Smash*).

July 12 – August 4, 2018

YOU CAN'T TAKE IT WITH YOU, winner of the 1938 Pulitzer Prize, is a classic American stage comedy that deftly blends elements of farce, slapstick, whimsical humor, social commentary, and romance, together with a generous dash of good-natured optimism about the human condition. First staged in 1936, at a time when the United States was only beginning to recover from the bleakest days of the Great Depression, **YOU CAN'T TAKE IT WITH YOU** was the third play written by the team of George S. Kaufman and Moss Hart, the most successful collaborators in the history of the American theater.
